Which is your most useful book?

We think it might be a little blue one with a Bank of Montreal M on the cover. It's the book that means you are planning for the future. We'd like to help you with your plans. So, if you have any money questions (or even if you don't), come in and ask us about the useful little blue book.

Welcome!

Finally, Carnival is upon us. That notorious week-long celebration of all that is university life.

To the committee, this week represents the cumulative effort of many individuals who have, quite literally, forsaken all else, in their quest for that elusive goal - a Carnival whose memory will be cherished by all. Ingenuity, creativity, intelligence and just plain, hard work has seen contributed by many. To those people I owe my heartfelt thanks.

What a schedule! Carni'80 represents the University's first full integrated winter event. The most tangible effect of this condition is that you, the student, can now enjoy, in essence, two carnivals in the space of one. In trying to retain the best of Sir George and Loyola traditions, the student-at-large can sample the unique flavor of each campus during this year's Carni'80.

Tickets to such dynamic events as Caribbean nite, Snoball, the Bear's Birthday Party, Fashion Show, Ski Bash Concert Nite, etc.

The most popular attractions are to be found in smaller "intimate" events which encourage dual and team participation. Examples of these include, Skating Party, Snosculptures, Dog Sled Race, Tricycle Race, SuperStars of the Pub.

Keep an eye open some of more mischievous schemes over the course of the week-you may be pleasantly surprised.

The last ingredient for a successful carnival is involvement by you. The framework has been established-you must contribute the fabric. Partake. Enjoy. So, grab for the ring, it's yours for the taking.

After all, you are the star.

Come out ahead

Miracle Mart

Dear Fellow Students,

Once again Winter Carnival gives us a well-deserved respite from the drudgery of classes and trying sojourns in the library researching papers. Carnival 1980 is a University-wide event, a Concordia event which presents great opportunities for sailing from one "island" campus to the other for a good time. Isn't it time some of mingled with the natives? We sincerely hope you will.

Other CUSA-sponsored events take place throughout the year: Carnival is not the only time at which we are visible. Beer bashes, movie nights and other events are numbered among CUSA's contribution to the social life at Concordia. But we also work toward improving student life in the academic sphere. Current CUSA work in this field includes the course evaluation, study week and to committees. We also represent students on the Concordia Council on Student Life, the Senate and the Board of Governors -- institutions which need student representation in order to ensure the kind of education we expect to receive at university.

Please visit our offices if the mood strikes you. We're located on Loyola at 6931 Sherbrooke St. West, Room 305, and on Sir George in the Hall Building, Room 603.

Have a good Carnival! Participate to the full!

Yours truly,

Louis Hugo Francescutti

Guinness World Record Attempt

Can you think of an object that is unusual? This year's Carnival once again is having its original object hunt or "scavenger hunt" as some call it. The name of the game is to find the most original object that could win first place in the contest. On Thursday judging will take place at Loyola, and on Tuesday it will be at Sir George. The first prize is 500 bottles of beer or the cash equivalent.

Wednesday February 6

11:00 a.m.

Original Object Hunt

How far can you throw an egg and catch it yourself?

Can you run 50 yards in 4.4 seconds?

This event is not as easy as some may think it is. We are looking for people who know something about biophys-ed and who are in shape to run and try to set world records. Come and try out, even if you don't make a world record, you'll have fun trying!
